

locate page number in upper left of page left page bold, right gray.

title of section

title

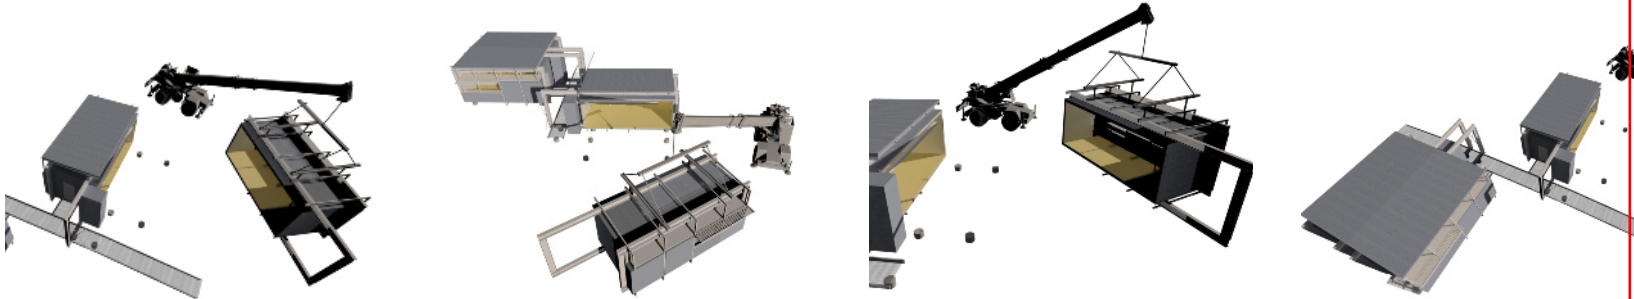

text in lower 1/3 of page in column format

use this font and color sample text follows.....plan and façade allowing for adequate day lighting to be provided. The support system also minimizes the attachment to the site. The minimal foundation supports allow for the structure to rest lightly on the site preserving the site's topography and allowing for planned relocation. The exoskeleton also sends an aesthetic message of mobility by exposing the structure that was used to place or replace the classroom.
